School News and Updates:

Walk to School Week-Was a great success, a noticeable decline in traffic volume! There were also full bike racks and scooter bins everyday! Congratulations to our winners of the \$100 gift card.

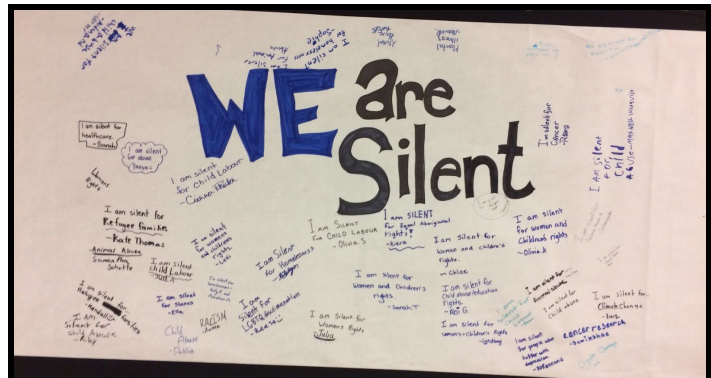

Kale, Zack, Josh.

We are silent- Many students across the grades participated and were silent for the whole day on Thursday. Each student chose a cause and a vow of silence in support, not an easy thing to do. Kudos to those that participated.

Track and Field- Thursday also saw our track athletes compete in a zone meet. Of 41 students competing, 12 students qualified for cities in 16 events! A truly awesome effort.
